

Honor a Memory - Commemorate an Event - Create a Living Gift

Our Memorial Book program provides an avenue to remember loved ones in a special way. Momentous events such as birthdays, anniversaries, graduations or promotions may be celebrated by adding a book to the Library's collection.

Through your donation, a book may be purchased and you are welcome to identify a topic for the gift. A bookplate with the name of the honoree [and donor(s), if you should so desire] will be displayed in the book for all to see. A gift notification will be sent to the person(s) you wish to be notified.

Donations may be made by visiting the Library, calling 940-683-3450 or mailing a check with the information requested below to:
